

# LOYALTY SOCIETY

The generosity of consistent giving shows a donor's commitment to building a legacy through annual support.

REHAB is blessed by the generous support and partnership of our community of donors. Loyal donors are the cornerstone of REHAB's success, providing the means and strengthening our ability to deliver on our mission.

In recognition of this significant commitment, the **Loyalty Society** honors our most loyal donors who have provided 10 years or more of charitable giving. We acknowledge their kindness and dedication to REHAB by listing those with annual support in the 2016 calendar year.

# REHAB FOUNDATION ENDOWMENTS

An endowment is a permanent legacy gift that continues to provide support to REHAB for many years past the date of the donation. Endowments are held in perpetuity and investment earnings are used annually to support the donor-designated restricted mission purpose.

Contact the Foundation to learn how a gift of \$10,000 or more can establish a named legacy endowment.

We proudly recognize the generous donors who have chosen to leave an everlasting impact to the REHAB mission by creating their legacy through an endowment gift.
